The Directors Cut

Directors Cut

I'll continue the trip to Mexico next issue. I want to thank all the HOG members who put in so much time to make the HOG drawing a success. A lot of hard work went into the planning, selling and organizing. My deep appreciation and thanks to all of you who made this happen. I also want to thank Trevor from GHD for the donation of the 103 kit and leathers and Jennifer for all the planning that went into the event. We couldn't have done it without ya'll and we, as a HOG club, appreciate your strong and continued support. We will draw from the top 10 sellers of raffle tickets at the next meeting for the GHD gift certificate.

Make a Wish

This Saturday, Aug 2nd the GCHOG will be making the day very special for a group of kiddos with severe medical issues. Wish Teens is a summer program for terminally ill teens on the Make-a-Wish list. We will be leaving tentatively between 10:00 and 11:00 from GHD. Mark Salatka will be leading so he'll finalize plans. The event starts at noon and lasts to 3:00pm and will be at San Pedro Park in San Antonio. They will provide lunch. If you plan on giving rides please make sure you have a back rest and bring an extra helmet and release forms to be signed by the kids parents. You might consider bring a small gift for the kids to remember the experience by. This should prove to be a very rewarding experience.

Our October meeting will be our quarterly themed meeting. We have two exciting events planned. We will have a Halloween costume contest with prizes for the best costumes and we will be doing a HD trivia contest. I'm beginning to collect questions for the trivia contest so please e-mail me with your suggestions.

Ride hard, have fun, stay safe.
