The Directors Cut

Twisted Sister Ride

The over night ride to Kerrville to ride the 3 Twisted Sisters was a huge success. We are planning the ride again for next year. About 15 to 20 members from Gruene met 30 members from the Ft. Worth Chapter. Texas Hill Country Ranch Roads 335, 336, and 337 have long been called the 3 Twisted Sisters by rides.

"The Three Sisters" or "The Hundred Mile Loop" (RR335, RR336, & RR337) are without a doubt the best motorcycle roads to be found in the Hill Country of Texas. These are the roads everyone wants to ride when they visit the Texas Hill Country. They follow canyons and climb over jagged, steep and crumbling hills. They have many tight twisty curves with shear drop offs and not much in the way of guard rails. In one section about 15 miles long, there are around 65 curves. If you are an experienced rider, then this is the ride for you. If you like scenic panoramic views, bring your camera and join us next year.

Back East Ride

This summer I'm planning on taking a week to 10 day long ride that is mainly heading East. The goal is the section of road that is called Tail of the Dragon. It is apex 11 miles long with 300 curves. This ride has no planned stops other than the first night. We decided each day which way to go and how far. It is pay as you go, go as far as you want, which ever way you want. Tentatively planned is to see Grace land and maybe some Civil War Battle fields. If interested please let me know.

Ride and Have Fun

Mike

Upcoming HOG Events

GHOG Meeting Photos!!!

The Pacifier!!!

The Pacifier Has Been Handed Off!!

What is the Pacifier???

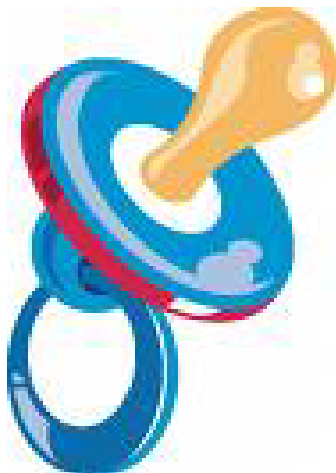

It is a binky or sucker for those who have dropped their bikes!!!

What do you do with the Pacifier??

Well, if you have earned the pacifier by dropping your bike you are to wear the pacifier on your vest until you can pass it off to another member of the chapter who has dropped their bike!!!

So beware!!! If you drop your bike and someone finds out, you too may be wearing the pacifier!!!

The binky has been passed on to Marta and Joe , Malinda

Welcome to all new members

Remember to ride and have fun!!

LOH Quilt's

A big thanks to Jessica for the lesson and use of your house. Great Job
